Dear [REDACTED]

PROVISION OF REQUESTED INFORMATION

Thank you for your request for information about zoos, which we received on 18 January 2016. Your request has been handled under the Freedom of Information Act 2000.

The information you requested and our response is detailed below:

"I've been trying to compile a complete list of the zoological collections of the British Isles.

I was wondering whether you would be able to provide me with a list of all premises which currently hold a zoo licence, and all former zoo licence holders too."

See [Appendix 1](#) for a list that APHA hold on currently licensed zoos in Great Britain (England, Scotland and Wales), as at 18 January 2016 (date of request).

See [Appendix 2](#) for a list that APHA hold on closed zoos in Great Britain (England, Scotland and Wales), as at 18 January 2016 (date of request). This data is not complete as zoos typically get deleted from APHA's database once it becomes inactive.

Please note that Local Authorities' Trading Standards departments are responsible for administering zoo licensing under the Zoo Licensing Act 1981, and APHA are only responsible for maintaining a list of zoo inspectors and nominating them for inspections. Therefore both Appendices have been produced from APHA's list of inspectors nominated to inspect a zoo.

The list in [Appendix 1](#) does not include collections that may be considered a zoo but are exempt from the Act and therefore do not require a licence.

I attach an Annex which explains the copyright that applies to the information being released to you and contact details should you be unhappy with the service you have received.

If you have any queries about this letter, please contact the Access to Information Team at the email address below or postal address at the top of this letter.

Yours sincerely
