Pay award effective dates in BIS (and DTI) have always been from the 1 August. As you have requested the pay scale effective from the 1 April 1999, I have attached a scanned copy of the DTI pay scales minimum and maximum, along with the equity share values effective from 1 August 1998 to the 31 July 1999.

There were no pay points or increments that year.

The equity share amounts relating to performance are set out below as follows:

Performance Mark	Share Amount

Box 2 +	15 Shares
Box 2	10 Shares
Box 3 +	5 Shares
Box 3	2 Shares

You have also requested for all the corresponding DTI points for a grade 6 a year later, which would cover the period from 1 August 1999 to 31 July 2000. Again, there were no points or increments, and I have attached a scanned copy of the minimum and maximum pay scales and the equity share values.
