

We were asked:

Q1. A list of the models of the physical servers, storage devices, tape libraries, network switches and routers under support contracts; as well as the cost and duration of said contracts, with start and end dates and service level associated with the equipment. Could you also supply the names of the suppliers of aforementioned support services?

We replied:

A1. The Wales Office uses IT services supplied under Ministry of Justice contracts, and we do not hold IT contracts in our own right. You may therefore wish to ask the Ministry of Justice about the management of its IT contracts.
