Dear

**Request for Information**

Thank you for your email dated 25 June 2015 requesting the following information:

*I would like to make a FOI request to obtain a list of registered UK housing associations, If possible to include the amount of housing stock they have. Any format will be fine however excel preferred*

To provide you with some background the HCA is the national housing and regeneration agency for England and Wales as well as the Social Housing Regulator. The information held by HCA is only that which we need for the purposes of meeting our organisational, statutory and regulatory objectives. We do not hold information for the areas of the UK outside England and Wales, and we only hold information of housing associations that are registered as providers of social housing (known as Registered Providers (RPs)).

The HCA publishes a full list of RPs, some of which will be Housing Associations as per your request; however others will be private RPs, Co-operatives or other types of RP. You can find this information on our website [here](#).

The HCA also publishes a Statistical Data Return (SDR) which provides information on stock data of RPs. This information is available via the links provided to you below:

- Webpage for all SDR releases: <https://www.gov.uk/government/collections/statistical-data-return-statistical-releases>
- Link to SDR document for stock data: [Statistical Data Return statistical releases - GOV.UK](#)
