Dear ,

Thank you for your email of 9 august in which you requested the following information:

*I want to know how many times the army bomb squad has been called out to deal with unexploded bombs/mines/devices in Aberdeen, Aberdeenshire, Moray, the Highlands and Islands over the past five years.*

*I would like this information split into each individual area and individual year.*

*I would also like to know the circumstances of each call-out,*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held. The information you requested is attached. Please note, this is a locally produced document intended for internal reference and may include inaccuracies. Information has been filtered using the location information to meet your request.

- DIS – Destroyed in Situ.
- FFE – Free From Explosives
- LIS – Left in Situ.
- SAA – Small Arms Ammunition
- DEM - Demolition
