Part B – your claim

Tick the boxes that apply to the commons you want to claim for (you can tick more than one box).

B1. Establish SPS entitlements from 2005

Tick this box to apply for Single Payment Scheme (SPS) entitlements that you should have received in 2005 (as well as any associated payments).

You must have established SPS entitlements in 2005 and then claimed SPS continuously until at least 2009.

B2. Claim for entitlements that you couldn't activate

Tick this box to apply to receive payment(s) for 'spare' SPS entitlements that you couldn't get paid for in any of the years from 2009 to 2014 because you didn't have enough land to activate them.

You must have submitted a valid SPS application in the year(s) you want to claim for.

B3. Claim for Hill Farm Allowance (HFA) or Uplands Transitional Payment (UTP)

Tick this box to apply to receive HFA 2010 and/or UTP payments which you should have received.

You must have submitted a valid HFA 2010 or UTP scheme application.

B4. Other reason for claim

Tick this box to claim on a common under any other circumstances.

You must give more information at Part C because for us to consider your claim, you will need to show that you have suffered financial loss as a direct result of the incorrect method used to allocate common land under the Single Payment Scheme. You may want to take professional advice before you apply.

Part C – more information

Use the box below to give us more information about your claim. For example, if you ticked the box at B4, you must tell us the circumstances which you're claiming under.

We'll contact you if we need any more evidence or information

Tick this box if you used a continuation sheet.

Remember to write your SBI on it and send it to us with this form.
