Title: Data on trade mark applications and registrations for financial services during 2013

Date of release: 11 April 2014

Information request:

Can you provide data on the applications and registrations of financial services trade marks for 2013?

Information released:

Application and registration figures are published in our annual Facts & Figures review, which is due for publication shortly. I can't give you a publication date, however the provisional 2013 figures for Class 36 (covering insurance, financial services, real estate agency services, building society services, banking, stock broking, financial services provided via the internet, issuing of tokens of value in relation to bonus and loyalty schemes and provision of financial information) are as follows:

UK Applications inc Class 36 = 3944

UK Applications published inc Class 36 = 3545

UK Registrations inc Class 36 = 3396

These figures do not include UK designations of International Trade Marks. They are currently being checked prior to publication.
