

Freedom of Information request 245/2014

Received 15 January 2014

Published

Information request

On the basis that you are unable to comply with my request on the basis of cost, I wish to amend my request to the following.

Copies of all correspondence between UK Government Ministers or special advisers in your government department and (1) Alistair Darling MP, leader of the Better Together Campaign and/or (2) any Better Together staff regarding any of the "Scotland Analysis" series.

DWP response

A further search of our database, which records correspondence between DWP Ministers and Members of Parliament or members of the public, has been conducted and there is no record of any such correspondence between DWP Ministers and Alistair Darling as leader of the 'Better Together' campaign or any of its staff.

I can also confirm that this Department's Special Advisers have not corresponded with Alistair Darling or any of the Better Together staff regarding the Scotland Analysis series.

Correspondence between any other UK Government Ministers and Alistair Darling MP or 'Better Together' staff would be a matter for the relevant Government departments.
