

# Environment Agency permitting decisions

## Surrender

We have decided to accept the surrender of the permit for Cranswick Animal Feed Mill by BOCM PAULS Ltd.

The permit number is EPR/XP3832UQ.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

## Purpose of this document

This decision document:

- explains how the operator's application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

## Structure of this document

- Key issues
- Annex 1 the decision checklist

## Key issues of the decision

The applicant has provided reference data, within the surrender report, reference: *Additional Environmental Assessment Report (ref: SLR Ref:406.05295.00001) February 2015*, to support the surrender application and has provided a comprehensive comparison of data as well as undertaking some remedial action to ensure that conditions on site are returned to a satisfactory state, deemed acceptable by the Environment Agency and in line with the original baseline established at the time of permit issue.

The surrender application and supporting reports aim to demonstrate that the site has been returned in a satisfactory state. Following our review of the surrender application and supporting information we, the Environment Agency, are satisfied that the operator, has provided sufficient evidence to demonstrate that the site has been returned to a satisfactory state.
