1. Regional allocation is based on the postcode of the company's registered address, which might not correspond to where the R&D activity takes place, so caution must be exercised when interpreting these figures.
 2. Figures exclude claims where region is not known.
 3. Numbers are rounded to the nearest 5 and amounts are rounded to the nearest £5m. Totals may not sum due to rounding.
 4. Statistics in this table are consistent with HMRC's policies on dominance and disclosure.
 5. Dual claims are those where a company made a claim under both the Large Company and RDEC schemes.
