AUTHORIZED AMENDMENT
 This NAA updates MAA 02 and MAA 03 as a result of the MAA review of RPAS regulations. The updates to MAA 02 seek to amend and standardise RPAS-associated definitions. The amendment to MAA 03 introduces a new annex, Annex F, which details the process to be followed for categorization of an RPAS, which supports the new RPAS regulations presented in the associated NPA 14/55. Further minor changes consequent of the RFC listed above are also incorporated.
