You requested the following information:-

I am requesting a list of all the public land sites your Department has disposed of for residential or mixed use since April 2011.

For each site, please detail:

- the address including postcode,
- the manner of disposal, E.G. leasehold, freehold, joint venture etc.,
- the date of disposal
- the amount the site was sold for.

Please consider before you withhold the amount the site was sold for on commercial grounds a Public Accounts Committee report: Disposal of public land for new homes, September 2015, stated. “*Nor do we accept that the amount of any sale proceeds from the disposal of publicly-owned assets should be kept confidential-Parliament and the taxpayer are entitled to greater transparency than that.*”

We have handled your request under the Freedom of Information Act 2000.

The Wales Office has not disposed of any public land sites.
