16 September 2015

Dear [REDACTED]

Thank you for your email of 1 September requesting the following information:

"I can confirm that the information below is required for our internal resource planning purposes:

- *Number of ex-Service personnel in the UK in receipt of an occupational pension under the Armed Forces Pension Scheme, by Country, Region and Local Authority, and by gender, age group, and service, as at 31 March 2015.*
- *Number of ex-Service personnel in the UK in receipt of an ongoing disablement pension under the War Pension Scheme, by Country, Region and Local Authority, and by gender, age group, and service, as at 31 March 2015.*
- *Number of individuals in the UK in receipt of an ongoing war widow(er)s pension under the War Pension Scheme by Country, Region and Local Authority, and by gender, age group, and service, as at 31 March 2015.*
- *Number of ex-Service personnel in the UK, awarded compensation under the Armed Forces Compensation Scheme, by Country, Region and Local Authority, and by gender, age group, and service, as at 31 March 2015."*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held. Some of the information falls entirely within the scope of the absolute exemptions provided for at Section 40 (Personal Data) of the FOIA and has been withheld. The information you requested is attached in annex A.

Section 40(2) has been applied to some of the information in order to protect personal information as governed by the Data Protection Act 1998. This is also in line with Defence Statistics rounding policy, in which numbers fewer than five are suppressed in order to reduce the possible inadvertent disclosure of individual identities. Section 40 is an absolute exemption and there is therefore no requirement to consider the public interest in making a decision to withhold the information.

Under Section 16 (Advice and Assistance) you may find it helpful to note the following:

Schemes:

There are a number of different occupational pension schemes available to Armed Forces personnel. The data presented in these statistics cover the Armed Forces Pension Scheme 1975 (AFPS 75) and the Armed Forces Pensions Scheme 2005 (AFPS 05). AFPS 75 pension benefits are based on rank and length of Service. All personnel serving between 6 April 1975 and 6 April 2005 will have served under the AFPS 75 scheme. AFPS 05 pension benefits are based on length of Service and final salary, and personnel who joined after 6 April 2005 will be serving under the AFPS 05 scheme. Service personnel need to have at least two years' reckonable service before they are entitled to receive benefits on either scheme.

There are currently two Service-attributable compensation schemes in operation;

- The War Pensions Scheme (WPS) provides no-fault compensation for all ex-service personnel where illness, injury or death is caused by Service from the start of the First World War in 1914 up until 5 April 2005.
- The Armed Forces and Reserve Forces Compensation Scheme (AFCS) came into force on 6 April 2005 to pay compensation for injury, illness or death caused by Service on or after that date.

Defence Statistics (Health) publish statistics on claims and awards made under the WPS and AFCS which can be found on the Gov.UK website:

<https://www.gov.uk/government/collections/war-pension-recipients-index>.

<https://www.gov.uk/government/collections/armed-forces-compensation-scheme-statistics-index>

Data Sources:

The figures provided are based on data from two administrative systems. AFPS and AFCS data are sourced from the Veterans UK Compensation and Pension System (CAPS). WPS data are sourced from the Veterans UK War Pension Computer System (WPCS). Veterans UK are responsible for managing these systems and ensuring the quality of the data supplied to Defence Statistics (Health).

The locations of recipients of an occupational pension and / or compensation in the UK were derived by individuals' postcodes as recorded on the CAPS and WPCS as at 31 March 2015. Four separate methodologies were used to produce the summaries of recipients by region, county, local authority, local health organisation and postcode district:

- Region information was compiled in line with the Office for National Statistics' (ONS) Regional classifications.
- County and LA information was compiled by linking individuals' full postcodes with the latest ONS census geography lookup tables as at May 2015.

Please note these statistics exclude members of the AFPS that are not yet in receipt of their pension (deferred pensions).

An annual Official Statistic provides summary statistics on the location of Armed Forces Pension and compensation recipients by country, region, county, local authority, local health organisation and postcode district. This is published on the Gov.UK website:

<https://www.gov.uk/government/statistics/location-of-armed-forces-pension-and-compensation-recipients>. The latest publication was released on 4 June 2015.

In line with Defence Statistics' Rounding Policy for AFPS, AFCS and WPS data, all figures of five or more have been rounded to the nearest 5 and figures fewer than five have been suppressed and marked ~. Due to rounding, the figures provided may not sum to totals.

Would you like to be added to our contact list, so that we can inform you about updates to our statistical publications covering Armed Forces Compensation and War Pension statistics and consult you if we are thinking of making changes? You can subscribe to updates by emailing: DefStrat-Stat-Health-PQ-FOI@mod.uk.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <https://ico.org.uk/>.

Yours sincerely,

Defence Statistics (Health) Head (B1)
