

Annex B: Impact Assessment

Basic Need – forecast reception year surplus/shortfall

The table below shows the forecast shortfall in reception year places in the free school's likely catchment area. The data has been provided by the relevant local authorities via the department's 2014 School Capacity (SCAP) Survey.

	2015/16		2016/17		2017/18		2018/19	
	Number of shortfall	% of shortfall	Number of shortfall	% of shortfall	Number of shortfall	% of shortfall	Number of shortfall	% of shortfall
Local area reception year forecast surplus/shortfalls	4	0.4%	14	1.7%	13	1.6%	0	0%
Positive number or % represents a shortfall Negative number or % represents a surplus								

Impact Assessment

School name	Type	School Capacity	Surplus places at entry	Distance from FS (miles)	KS2 Attainment 2014 (L4+, r/w/m)	Inspection rating and date	Impact rating
Newington Community Primary School	Community	630	0	0.4	76%	Good 14/06/2012	Moderate The school is in close proximity and results are below the LA average. However attainment and Ofsted rating are both good and the school has no surplus places at point of entry. The free school is unlikely to affect the long term viability of the school.
St Laurence in Thanet Church of England	Church of England Sponsor led	256	0	0.4	69%	Requires Improvement	Moderate The school is in close proximity, results are well below the LA average, and the Ofsted rating

Junior School	academy					22/01/2014	is RI; however the school has no surplus places at point of entry Discussions with the LA suggest that they do not see the new free school as a risk to this school. The free school is unlikely to affect the long term viability of the school.
Dame Janet Primary Academy	Sponsor led academy	630	0	0.4	72%	Requires Improvement 26/02/2014	Moderate The school is in close proximity, results are well below the LA average, and the Ofsted rating is RI; however the school has no surplus places at point of entry. The free school may have some impact, but the size of the school suggests that it is unlikely to affect the long term viability of the school.
Ellington Infant School	Community	270	0	0.5	No KS2 data (Infant school)	Good 09/12/2009	Minimal The free school is unlikely to affect the long term viability of the school.
Priory Infant School	Community	180	0	0.9	No KS2 data (Infant school)	Good 07/02/2014	Minimal The free school is unlikely to affect the long term viability of the school.
Chilton Primary School	Community School (pipeline academy converter)	420	0	0.9	92%	Good 22/03/2013	Minimal The free school is unlikely to affect the long term viability of the school.
Newlands Primary School	Sponsor led academy	450	2	0.9	82%	Inadequate 13/06/2013	Moderate The school is in close proximity and the Ofsted rating is Inadequate; however the school is achieving good results and there are only 2 surplus places at point of entry.
Ramsgate, Christ Church Church of England Junior School	Church of England Sponsor led academy	240	0	1.0	72%*	No Ofsted grade	Minimal The free school is unlikely to affect the long term viability of the school.
Bromstone Primary School, Broadstairs	Foundation	480	0	1.1	91%	Requires Improvement 06/03/2013	Minimal The free school is unlikely to affect the long term viability of the school.
St Ethelbert's Catholic	Roman Catholic	210	0	1.1	77%	Good	Minimal The free school is unlikely to affect the long

Primary School	Voluntary aided (pipeline academy) converter)					26/01/2010	term viability of the school.
					LA average:	79%	
					National average:	79%
