

News from HS2 for where you live

What is HS2?

This leaflet is about the new railway called HS2.

It will run between big cities in Britain and it will help to link people and jobs.

We will start building part 1 of the railway soon.

What does it mean for me?

There is a team of people who work for HS2, near where you live.

This leaflet tells you:

- who we are.
- when and where you might see us working.
- what we are doing.

Do you have questions about HS2 and how it could affect you?

You can talk to us – the back of this leaflet shows you how.

What stage are the plans at?

We will start building the new railway as soon as Parliament says we can.

The group helping us with the work in your area:

- Laing O'Rourke Construction Ltd. and J. Murphy & Sons Ltd

You can call our helpline on 020 7944 4908 if you have any questions about this work.

Here to help

Jonathan Lord is HS2's team leader in your area.

Information on property

We will contact you if building the new railway might affect where you live or your business.

If you own and live in a property affected by HS2, you can find out how we help and what to expect at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Listening to you

If you would like to meet us face-to-face, you can come to a community event or an HS2 event.

We will hold more events soon.

You can find out about all our events at www.gov.uk/government/collections/hs2-events

Working with businesses

We are talking with businesses near you. We want to check how we can help them and see if they want to work with us.

There are lots of ways for businesses near you to join in. There is lots of work to do with the new railway.

Understanding ground conditions

We will contact you if we need to drill a hole to check the ground near you.

£70m to benefit local communities

There is some money to help businesses and community groups near the new railway.

Businesses and community groups can apply for some of this money (£40m in total) through Groundwork UK.

Then there is £30m to make local roads better.
