FCO Services do not hold any contracts for mobile phones; therefore I am not able to provide answers to points 1 through to 7 and the first Part of question 8. In response to the 2<sup>nd</sup> part of question 8:

FCO Services mobile telephones are provided through a Framework Agreement provided by an external organisation. I am therefore responding to that section of your request and the details are as follows:

- The external organisation is Crown Commercial Services, part of the Cabinet Office
- FCO Services has approximately 750 active mobile phones.
- The Network provider for these mobile telephones is Vodafone

You may wish to submit an FOI to the Cabinet Office if you require any more information on these contracts.

Once an FOI request is answered, it is considered to be in the public domain. To promote transparency, we may now publish the response and any material released on [gov.uk](http://gov.uk) in the [FOI releases](#) section. All personal information in the letter will be removed before publishing.
