**2014-2015 Annual Report from the Commissioners for Revenue and
Customs to the Treasury on Tax Credits under Section 40 of the Tax
Credits Act 2002**

Presented to Parliament pursuant to Section 40(2) of the Tax Credits Act 2002

January 2016

REPORT REQUIRED UNDER SECTION 40 OF THE TAX CREDITS ACT 2002

Section 40(1) of the Tax Credits Act 2002 (as amended by the Commissioners for Revenue and Customs Act 2005) requires the Commissioners for Revenue and Customs to make to the Treasury an annual Report about:

- The number of awards of each tax credit made in the year;
- The number of enquires conducted under section 19;
- The number of penalties imposed; and
- The number of prosecutions and convictions for offences connected with tax credits.

Section 40(2) requires the Treasury to publish the annual Report and lay a copy before both Houses of Parliament.

The table overleaf shows:

- a) The number of awards of tax credits.

This is based on information processed by 5 April 2015. Not all information for 2014-15 is yet finalised at the time of production of this report. The average number of recipients in the year, based on this final information is planned for publication in May 2016. The figures quoted in this report were published in HMRC's Child and Working Tax Credits statistics for April 2015. The figures include out of work families with children receiving CTC, but does not include families receiving 'family support' through the benefits administered by the Department for Work and Pensions (i.e. Income Support and income based Jobseekers Allowance).

- b) Number of enquiries conducted under section 19.

Section 19 of the Tax Credits Act 2002, allows the Board to carry out enquiries into awards after the end of the year, once they have been finalised. There were 20,714 enquiries conducted in 2014-15. In the previous year (2013-14) there were 21,046 enquiries.

- c) Number of penalties imposed.

In 2014-15 there were 14,335 cases where a penalty was imposed for tax credit related offences. This compares with 15,182 cases in 2013-14. HMRC collects data on the number of individual penalties imposed, for 2014-15 there were 15,787 individual penalties, compared with 17,249 in 2013-14. Where a case or award is a joint or household claim, two penalty notices can be given, split equally between the couple (individual penalties).

- d) Number of prosecutions and convictions for offences connected with tax credits.

For serious offences, HMRC continues to adopt a policy of selective prosecutions and publicises the results. There were 197 prosecutions and 184 convictions for tax credits in 2014-15 compared with 148 prosecutions and 148 convictions in 2013-14.
