

Annex B: Impact Assessment

School name	Distance from free school	School type	Capacity	Average points score 2013	Average points score 2014	VA Score 2013	Ofsted grade	Impact rating
Secondary Schools								
LA Average				784.1	744.7			
National Average				785.6	771.5			
South Leeds Academy	1.5	Academy Sponsor Led Not a faith school Mixed	90	806.5	645.9	0.0	Requires Improvement Date of most recent Ofsted inspection: 4/11/2014	MODERATE: The South Leeds Academy has a capacity of over 1300 pupils and has a small 6th form of just under 100 students. The Academy delivers their sixth form provision in partnership with the Garforth Academy. Whilst the financial viability of the Academy overall may not be affected, it could affect the viability of 6th form provision at the Academy.
The Morley Academy	2.0	Academy Converter Not a faith school Mixed	300	823.8	735.4	0.1(+)	Outstanding Date of most recent Ofsted inspection: 02/05/13	MINIMAL: The Morley Academy will become an 11 – 16 school by removing its post 16 provision for 300 students in September 2015. The impact on the financial viability of the Academy should be minimal.
The Ruth Gorse Academy	2.0	Free School Not a faith school Mixed	320	No KS 5 data	No KS 5 data	No value added figure	No Ofsted grade	MINIMAL: Ruth Gorse Academy is located in the city centre and attracts students from a different area. The impact on the financial viability of the Academy should be minimal.

School name	Distance from free school	School type	Capacity	Average points score 2013	Average points score 2014	VA Score 2013	Ofsted grade	Impact rating
The Farnley Academy	2.2	Academy Sponsor Led Not a faith school Mixed	100	583.0	611.9	-0.3	Outstanding Date of most recent Ofsted inspection: 12/12/2013	MINIMAL: The Farnley Academy will become an 11 – 16 school by removing its post 16 provision for 100 students in September 2015. The impact on the financial viability of the Academy should be minimal
Swallow Hill Community College	2.3	Academy Sponsor Led Not a faith school Mixed	240	501.7	506.6	-0.3	No Ofsted grade	MINIMAL: The Swallow Hill Community College will become an 11 – 16 school by removing its post 16 provision for 240 students in September 2015.
Bruntcliffe School	2.5	Foundation School Not a faith school Mixed	240	682.4	634.0	-0.3	Requires Improvement Date of most recent Ofsted inspection: 08/05/2014	MINIMAL: The Bruntcliffe School will become an 11 – 16 school by removing its post 16 provision for 240 students in September 2015.
Woodkirk Academy	2.6	Academy Converter Not a faith school Mixed	320	788.0	723.2	0.2(+)	Good Date of most recent Ofsted inspection: 14/11/2013	MINIMAL: The school is located over 2.5 miles away and on the opposite side of the M62 Motorway from the proposed Elliott Hudson College. Whilst the school may lose a few students the impact will be minimal mainly due to the location of the school in relation to the Elliott Hudson College as well as the fact that Woodkirk Academy accepts a maximum of 50 students from other secondary schools to their 6 th form.

School name	Distance from free school	School type	Capacity	Average points score 2013	Average points score 2014	VA Score 2013	Ofsted grade	Impact rating
The Co-operative Academy of Leeds	4.6	Academy Sponsor Led Not a faith school Mixed	150	306.0	No KS 5 data	No value added figure	Requires Improvement Date of most recent Ofsted inspection: 22/05/2014	MINIMAL: The school is located over 4.5 miles away and on the opposite side of the city from the proposed Elliott Hudson College. Whilst the school may lose a few students the impact will be minimal mainly due to the location of the school in relation to the Elliott Hudson College as well as the fact that the 1000 pupil capacity Academy only caters for 150 sixth form students.
16-19 Colleges								
Leeds City College	2.7	General Further Education College	Overall 14329 learners 45% of learners are aged 16-18	613.6	569.4	0.1(-)	Good Date of most recent Ofsted inspection: 18/05/2012	MINIMAL: The Leeds City College has a large number of students and provides vocational courses that the Elliott Hudson College will not offer. The impact on the financial viability of the college should be minimal.
Leeds College of Building	3.0	General Further Education College	Overall 2022 learners 52% of learners are aged 16-18	No KS 5 data	No KS 5 data	No value added figure	Good Date of most recent Ofsted inspection: 06/06/2014	MINIMAL: The Leeds College of Building is a specialist college for the building trade and offers courses that the Elliott Hudson College will not offer. The impact on the financial viability of the college should be minimal.

School name	Distance from free school	School type	Capacity	Average points score 2013	Average points score 2014	VA Score 2013	Ofsted grade	Impact rating
Notre Dame Catholic Sixth Form College	3.2	Sixth Form College (Voluntary Controlled)	Overall 1598 learners 100% of learners are aged 16-18	810.7	760.0	0.1(+)	Outstanding Date of most recent Ofsted inspection: 17/04/2008	MINIMAL: The Notre Dame Catholic Sixth Form College is situated in the north of the city centre and whilst the impact on the college may be moderate, this should be limited due to the Ofsted grading and the recent exam results (A level pass rate in 2013/14 was 98%) and the fact that some students may want to attend a faith based provider. As such we would expect the college to currently be oversubscribed and the impact may even be minimal.
Wakefield College	6.2	General Further Education College	Overall 4767 learners 65% of learners are aged 16-18	549.8	553.5	-0.4	Good Date of most recent Ofsted inspection: 07/02/2014	MINIMAL: The College is over 6 miles away from the proposed Elliott Hudson College. It also has a large number of students (over 4,500). The college focuses on providing a range of vocational courses that the Elliott Hudson College will not offer. We therefore assess the impact on the college will be minimal.
Bradford College	7.9	General Further Education College	Overall 10078 learners 31% of learners are aged 16-18	527.9	542.6	-0.1	Good Date of most recent Ofsted inspection: 10/10/2008	MINIMAL: The College is over 7.5 miles away from the proposed Elliott Hudson College. It also has a large number of students (over 10,000). The college provides a range of vocational courses that the Elliott Hudson College will not offer. We therefore assess the impact on the college will be minimal.
