Dear [Redacted],

Thank you for your email of 27th July 2015 requesting the following information:

*I am the owner of an AWD/Bedford Truck, 16KH50, Serial No: MJP2BMKT202604.
I received information on its history from you previously.*

I am now putting together the suite of Technical/Servicing/Operating manuals relating to the vehicle. I have had a degree of success but would now like to make a FOI request for the documents I have as yet not been able to track down.

Are you able to provide me with copies of the following, in paper (for a fee, I would be prepared to give a fee for copies), in electronic formats (PDF if possible), or point me towards the correct channel for requesting these documents. They are for my own personal use and not for distribution to 3rd parties/to be sold on etc.
