Dear **Redacted**

Re: Freedom of Information Request

Thank you for your email of 29 January in which you asked for the following:

"I would like to submit a freedom of information requests for any communication between Special Advisers and DECC at Ken Cronin at the UK Onshore Operators Group.

Specifically I am interested in emails, correspondence, meetings, phonecalls and such minutes and notes arising between 19/01/15 and 27/01/15.

I would like to remind you that deleted items which remain on the server are included within the scope of such requests."

Under the Freedom of Information Act 2000 ('the Act'), you have the right to:

- know whether we hold the information you require
- be provided with that information (subject to any exemptions under the Act which may apply).

I have carried out a search of our electronic and paper records and I have established that the Department does not hold any information within scope of your request.

Appeals procedure

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to the Information Rights Unit (foi@decc.gsi.gov.uk).
