

Earth Observation Advisory Committee Town Meeting

The 2015 Annual EOAC Town Meeting is scheduled for 18 June 2015, 10am to 3pm at the Westminster Conference Centre.

The meeting is open to all interested parties but as this will be a working meeting seeking feedback from the community, numbers will be limited to 80.

The focus of the meeting will be on discussing the UK Space Agency's EO strategy Implementation Plan which will drive the priorities for activity of the agency over the next couple of years.

The exact agenda will be agreed by the EO Advisory Committee in April.

Please register for the event using the following link: <http://goo.gl/forms/O0SPMWa77H>

Places are limited and confirmation of your place will be provided via email in May.

Please send any enquiries you may have to [Timothy Hudson](#)
