Thank you for your email of 21 October 2016 requesting the the following information:

*"Having recently become aware of the Royal Air Force's new strategy for innovation called "Think to Win" or T2W, I would like to know what the overall cost has been for PA Consulting Group to initiate this enlightening programme of change."*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA). A search for the information has now been completed within the MOD, and I can confirm that information within the scope of your request is held.

The MOD paid £492,292.00 to PA Consulting Group for the initial report into embedding the Conceptual Component for the RAF "Think to Win" initiative.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 2nd Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.
