Dear

Thank you for your email of 27 August requesting the following information:

*A list of the number and species of wild mammals reported injured or killed under provisions 24 and 25 of the 'Licence to Trail or Drag Hunt on Ministry of Defence Land' for each year that licences have been issued.*

*In addition, would you please furnish me with copies of your records of hunt inspections, kill records and any other records available on future hunt meets scheduled for MOD land.*

I am treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence, and I can confirm that some information in scope of your request is held.

Copies of Mammal Kill forms are attached, but some of the information falls entirely within the scope of the absolute exemptions provided for at section 40 Personal Data and has been redacted.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note that no lists of information on mammals killed other than the provided mammal kill forms, data relating to hunt inspections or future hunt meets is held by the department.

Yours sincerely,

DIO Secretariat
