

Information Released under Freedom of Information Act

Subject: Request for details of Companies House backup system for Office 365 data

Date Released: 31 July 2015

Summary of request: The enquirer requested details of Companies House backup system for Office 365 data

Information Released

I can confirm that Companies House are currently piloting the Office 365 Data system therefore I am unable to provide you with the information at this time. The backup policy and retention period will be reviewed and the necessary rules to cover it will be applied when the package is agreed and rolled out to all staff.
