

## RA 4653 – Examination of In-use Pyrotechnics and Dangerous Goods Issued for use in Survival Equipment and on Airborne Platforms

### Rationale

▶ RA 4653 relating to Examination of In-use Pyrotechnics and Dangerous Goods has been withdrawn as the content does not require specific regulation; all equipment requires appropriate maintenance in accordance with Approved Data. To complement the withdrawal of this regulation, appropriate changes will be made to the more detailed guidance in the MAP-01<sup>1</sup> in due course. ◀
