Subject: HMS Victory 1744 - Judicial Review Decision

Dear JNAPC Members and Observers

I would like to make you aware of the response that my solicitor received yesterday from the Treasury Solicitor concerning the proposed Judicial Review:

“The Secretary of State [for Defence] has written to Lord Lingfield withdrawing the approval he gave earlier to proceed with the current phase of the HMS Victory project design. He will now retake this decision.”

The Judicial Review will now be dropped. I have no further details at this stage but it would appear that there will be no work on HMS Victory in the short term until a new decision has been taken.

Best wishes

Bob
