Scheme comprises a town regeneration scheme. Works will include a recreation centre, art and cultural buildings including a library and museum, commercial buildings, hotels, retail projects including a shopping centre, parking facilities including a car park and a park and ride facility, road maintenance works, education projects including kindergarten, primary schools, secondary schools, special schools, colleges, vocational colleges, technical colleges and further education buildings and energy management and distribution services. Associated works will include infrastructure, enabling works, sewers systems, access roads and landscaping.”

Information not held

The HCA does not appoint the subcontractors, suppliers or consultants for this scheme. As such, we are unable to provide you with the information you have requested. In the case of HCA-owned land, the appointment of subcontractors, suppliers and consultants is undertaken by the developer responsible for the delivery of the site. Where the HCA has provided funding for the delivery of affordable housing, such appointments will be made by the Registered Provider in receipt of the funding.

You may wish to visit our website at www.homesandcommunities.co.uk for further details on the role and activities of the HCA, including the different ways in which we help promote the delivery of affordable housing and regeneration.

Insofar as the information may be considered environmental information for the purposes of the Environmental Information Regulations 2004 (EIR), we can confirm that the information is exempt in line with Regulation 14(2)(a) (information not held).

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
