Information request

I request an internal review and again ask for the exact number of delivery locations both proposed and actual as well as all the information requested.

DWP response

Since submitting your request to review, Atos have published details of their consultation centres and therefore the exemption in section 22 of the Freedom of Information Act no longer applies.

Section 21 of the Freedom of Information Act allows us to direct you to information which is already reasonably accessible to you. The information you requested is now available on Atos Healthcare's website:

http://www.atoshealthcare.com/pip/consultation_locations

If you do not have access to the Internet at home, you may be able to use facilities at your local public library.

Following a search of our paper and electronic records, I have established that the number of disabled parking spaces available across Atos' network is not held by this Department.
