

HIGH SPEED RAIL  
(LONDON - WEST MIDLANDS)(GREATMOOR RAILWAY SIDINGS ETC.) ORDER  
BOOK OF REFERENCE

The Transport and Works Rules require High Speed Two Ltd to prepare and deposit a Book of Reference with the draft Transport and Works Act (TWA) Order.

The Book of Reference identifies all owners, lessees and occupiers with a qualifying interest in land and property affected by the Greatmoor Railway Sidings scheme. All persons and organisations are listed by parish, against each of the parcels of land that are described in the Book of Reference, shown on the draft TWA Order Plans and listed in the various land schedules in the draft TWA Order.

Copies of the Book of Reference are not available on this website but can be requested from HS2 at the following email address:
