## Housing Benefit: Up-rating 2016 - 17

### Introduction

1. In his oral statement to Parliament on 26 November 2015, the Minister of State for Pensions announced his proposals for the social security benefit rates that will apply from April 2016.
2. This circular advises you of the rates so you can take the appropriate action.

**Note:** At the time of writing, the Orders or regulations bringing the changes into effect are still subject to the appropriate Parliamentary process.

3. Any queries about the information contained in this circular should be emailed to [housing.benefitsenquiries@dwp.gsi.gov.uk](mailto:housing.benefitsenquiries@dwp.gsi.gov.uk)

### Timing

4. In line with previous practice, the main Housing Benefit (HB) up-rating will be introduced in advance of the setting of the main social security benefit rates. To coincide with the week in which many rents change, the 2016 up-rating will take effect on:
  - Monday 4 April 2016 for cases to which HB 2006 Regulation 79(3)(a)(ii) (for working age customers) and HB (SPC) 2006 Regulation 59(3)(a)(ii) (for people who have attained the qualifying age for Pension Credit) applies, when rent is paid on a weekly basis (or multiple of a week)
  - Friday 1 April 2016 for cases to which HB 2006 Regulation 79(3)(a)(i) (for working age customers) and HB (SPC) 2006 Regulation 59(3)(a)(i) (for people who have attained the qualifying age for Pension Credit) applies, when rent is paid monthly or at any interval which is not a week or multiples of a week.

### Up-rating of income-related social security benefits

5. The main points are:
  - the basic State Pension is being up-rated by 2.9% in line with the government's "triple lock" commitment
  - the Standard Minimum Guarantee in Pension Credit is being increased by 2.9%. The Savings Credit maximum is being reduced so that Pension Credit awards for those receiving Savings Credit will be the same where income is unchanged
  - premiums paid to pensioner recipients of working age benefits will continue to be up-rated to match Pension Credit rates

- premiums paid to disabled people receiving working age benefits, and to Employment and Support Allowance (ESA) claimants in the Support Group, will remain at the 2015/16 levels as the Consumer Prices Index (CPI) was minus 0.1%
- working age benefits (main rates) including main elements of Universal Credit and HB personal allowances will remain at the 2015/16 rates
- the other income-related benefits, Income Support (IS), income-based Jobseeker's Allowance (JSA(IB)), income-related ESA (ESA (IR)) and the majority of other social security benefits will remain at the current rate without any change.

## **Uprating of non income-related social security benefits**

6. The higher and middle rate invalidity allowances and age additions payable with Incapacity Benefit (IB) will not be increased from April 2016.

## **Uprating of social security benefits: general**

7. The following Regulations allow you to take account of these rates on 1 April or 4 April as appropriate:
  - HB 2006 Regulations 42(8) and 79(3)
  - HB (SPC) 2006 Regulations 41(9), 41(10) and 59(3).

Associated guidance is set out in HB/CTB Guidance Manual at BP2 P2.790.

8. There is no provision in regulations to uprate a claimant's social security benefit other than by using the correct amount. Most claimants will know their rates of benefit well before April each year.
9. We are aware that many local authorities' (LAs') Information Technology systems apply a percentage increase to uprate income from other social security benefits in the assessment of HB. In previous years we have advised that as this method should, in most cases, produce accurate results, providing the LA has satisfied itself as to the accuracy of its method, it should be able to meet its duty to make proper determinations.
10. However, given the fact that in recent years some of the components paid in addition to the main rates of some benefits and the main rates themselves have been uprated by different indices, LAs should consider carefully whether applying standard percentages will result in correct determinations.
11. LAs should also take into account that specific Automated Transfer to LA Systems (ATLAS) uprating notifications are issued for all benefits on the Customer Information System except for:

- Attendance Allowance
  - Disability Living Allowance
  - Personal Independence Payment
  - Armed Forces Independence Payment
  - Carer's Allowance
  - State Retirement Pension
  - Incapacity Benefit
  - Severe Disability Allowance
  - Bereavement Benefits
  - Widow's Benefit
12. Should an LA decide to apply a percentage increase to uprate income, as a minimum any information subsequently received via ATLAS should be compared with existing LA system data to ensure it matches.

## **New State Pension**

13. The new State Pension replaces the current State Pension for people who reach State Pension age on or after 6 April 2016. Eligibility will still be determined from a person's National Insurance contribution record. This will apply to men born on or after 6 April 1951 or women born on or after 6 April 1953. More information is available on [GOV.UK](http://gov.uk)

## **Tax Credits**

14. Working Tax Credit and Child Tax Credit (see Appendix E: Annex 1) will be effective from 6 April 2016 in line with the start of the new tax year and continue at the same rate as the previous year.
15. ATLAS will notify tax credit information to LAs. All the current tax credit rates can be found on [GOV.UK](http://gov.uk)

## **War Pensions**

16. The rates for War Pensions are set out in Appendix E, Annex 2. The War Pensions and allowances for 2016 will remain unchanged, except for an increase to the therapeutic earnings limit (annual rate). Additional information may be obtained from the Service Personnel and Veterans Agency [website](http://website)

## **Specific points of interest**

### **Non-dependant deductions in HB**

17. The deduction and income bands for 2016 -17 are at Appendices A and B.

### **Rates remaining unchanged**

18. The majority of rates within HB will remain unchanged.

### **Disregards in HB which remain unchanged**

19. The majority of disregards within HB will remain unchanged.

### **Deductions for ineligible fuel charges**

20. The CPI for fuel and lighting in September 2015 was minus 0.1% and the government has decided to set the rates for statutory fuel deductions from HB for 2016/17 at the same levels as 2015/16. The rates for statutory fuel deductions are shown in Appendix A.

### **One room rate deduction**

21. The formula for the one room rate deduction is set out in HB Regulations 2006 at Schedule 1, part 2, paragraph 6(2)(a) to (d) and (3). Sub-paragraph (3) states the ineligible amount for service charges when the accommodation consists of only one room shall be one half of the aggregate of the amounts specified in sub-paragraph (2)(a), (b) and (c), see Appendix A.

### **State Pension Credit maximum Savings Credit**

22. The amount of the maximum Savings Credit will be £13.07 for a single person and £14.75 for a couple. These figures cannot be used to calculate a likely Savings Credit entitlement from April 2016. Savings Credit is calculated on an individual basis, using the income and capital of that person. In addition, HB (SPC) regulation 27 states that the Pension Service calculation of income, capital and Savings Credit must be used.

### **National Insurance contribution rates**

23. A full set of rates for 2016 - 17 can be found on [GOV.UK](https://www.gov.uk)

## **Universal Credit**

24. Universal Credit is assessed and paid on a monthly basis. Universal Credit rates will remain the same as the 2015/16 rates in 2016/17. The rates can be found in Appendix C, Annex 5.

## **Establishing eligible rent**

25. The calculation of eligible rent for a claimant renting in the social and private sectors is not affected by this circular or by the uprating of benefits overall. It continues to subject to the rules in Part 3 of the HB Regulations 2006 and Part 3 of the HB (SPC) Regulations 2006.
