Notes:

- a. These data are based on the seven year span of actual data 2007/08 – 2013/14. By considering a cohort of individuals with the similar characteristics - new entrants into the RAF Officer ranks, and Provost Branch specifically - average career projections have been calculated.
- b. Defence Statistics' career forecasts are not based on the actual experience of any one individual, but rather are based on the historical behaviour of individuals with similar characteristics.
