NOTICE TO TRADERS 09/2016

PRIVATE STORAGE AID (PSA): CHEESE

1. Introduction

This notice is an update of the current situation with regard to the Private Storage Aid scheme arrangements for Cheese. It is subsequent to Notice to Traders 3/2016 issued on 18 February 2016.

Commission Delegated Regulation (EU) 2016/225 provided for unused allocations to be redistributed between Member States and the UK were allocated a further maximum quantity of 8,669 tonnes.

Initial applications have been received amounting to 7,203.320 tonnes and have been deducted from this maximum quantity. The residual quantity of 1,465.680 tonnes is now available.

2. Scheme rules and application

Before applying for this scheme please read Scheme Leaflet Number 1 which can be found at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/4944 43/PSA_Dairy_Scheme_Guidance_V3.0_Final.pdf

The products must not have been subject to a previous PSA storage contract.

You must be VAT registered in the Member State in which you are making your application and you must submit a copy of your VAT registration certificate.

Your application must be lodged in the Member State where the cheese was produced and is stored.

The application period begins on 29 February 2016 and ends on 30 September 2016.

Applications will be handled on a first come first served basis.

3. Cheese eligibility

The cheese must fall under CN codes 0406, be of sound and fair marketable quality and of EU origin. It must be stored in the Member State in which it was produced.

Cheeses which are not suitable for further storage beyond the period of maturation are not eligible.

The cheese must have reached a minimum age on the day when the storage contract starts. This must correspond to the period of maturation laid down in the product specification for cheeses benefitting from a protected designation of origin or from a protected geographical indication or to a normal period of maturation fixed by the UK for other cheeses.

It is expected that any interest in the UK will be for cheddar cheese. The minimum age for cheddar will be 6 weeks. If you are interested in claiming aid on any other types of cheese, please contact RPA.

4. Aid rates

Storage aid rates are:

- 15.57€ per tonne of storage for fixed storage costs
- 0.40€ per tonne per day of contractual storage

5. Storage period

You must keep the cheese within the scheme for at least 60 days and no more than 210 days.

The Commission may reduce or extend these storage periods if the market situation changes.

6. Storage arrangements, marking & record-keeping

Products must be stored so that they are easily accessible, individually identifiable and marked with the product name and weight.

You must either mark contract numbers on each individual unit or record this information in a store register.

The cheese/packaging must be indelibly marked with an indication which indicates the place and date of manufacture.

The date of entry into storage must also be recorded on the cheese/packaging or in a register maintained by the storekeeper that also shows the place and date of manufacture.

7. Applying for the scheme

Applications must be made via email, fax or post on the 'Storage contract' form available at:

https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/4692 34/Storage contract brps59t ver 11 Oct 15.pdf

Each application must be for a single CN code only.

Each application must be for a minimum of 0.5 tonne. Amounts above the minimum, need not be in whole tonnes.

You must assign a unique contract number in the following format:

PCH/trader number/four digits starting 0001

Your contract numbers should run sequentially

Applications will only be accepted for cheese fully placed in storage.

If an application is accepted, contractual storage will start on the day following receipt of the application.

8. Security

You must provide a security of 20€ per tonne at the time of application. Your application will not be accepted as "completed" until we have this security in place.

The security must be in the form of cash or a guarantee provided by a bank or insurance company incorporated in the UK and approved by RPA. All direct transfer payments for securities should be made to the RPA's current account as detailed in Scheme Leaflet Number 1.

Your security will be released immediately where contracts/quantities are not accepted, or where contracts/quantities have been accepted, once the obligations of the contract have been fulfilled.

Your security will be forfeited if your contract is withdrawn in full, or it is found that the quantity is store is less than 95% of the quantity accepted.

9. Advance Payments

After 60 days of storage, you can request to have aid paid in advance. This request must be supported by a security equal to 110% of the aid due.

The maximum advance permissible corresponds to a storage period of 90 days.

Advance payment security will be released as soon as the balance of aid has been paid.

10. Removal from storage

Contractual storage will end on the day before that of removal from the scheme or store.

You must notify us at least five working days in advance of the end of the maximum contractual storage period (210 days) or the start of removal operations.

If you don't notify us in advance, but can supply evidence of when the cheese was removed within 30 days of the end of the contractual storage period, your aid will be reduced by 15%.

If you cannot supply evidence of when the cheese was removed within 30 days of the end of the contractual storage period, then no aid will be paid and the whole security will be forfeited.

Removal from store must be in whole lots.

11. Regulatory Background

The applicable regulations are:

- Regulation (EU) No 1308/2013 of the European Parliament and of the Council;
- Commission Delegated Regulation (EU) 2015/1852 opening a temporary exceptional private storage aid scheme for certain cheeses and fixing in advance the amount of aid:
- Commission Implementing Regulation (EU) 225/2016, published in Official Journal L41.

You can access the Official Journals electronically by visiting the Commission's website http://www.eur-lex.europa.eu/en/index.htm. We are not responsible for the accuracy or completeness of the Europa website. While every care has been taken in producing this guidance, the regulations as published are definitive.
