DWP response

Following a search of our paper and electronic records, I have established that the information you requested is not held by this Department. However, in the interests of customer service I would like to refer you to the Personal Independence Payment (PIP) assessment guide, which you can find on the GOV.UK website at <https://www.gov.uk/government/publications/personal-independence-payment-assessment-guide-for-assessment-providers>. Chapters 3.4 and 3.5 list the daily living and mobility activities that feature in the PIP assessment, and give examples of circumstances in which various descriptors within the activities might apply to claimants. Furthermore, Chapter 3.3 includes a number of examples of how the 'reliability' criteria might be applied to the daily living and mobility activities.
