Title: Trade Union Density: figures for union density in further categories of Standard Industrial Classification (SIC) code

Date of release: 23 March 2016

Information request

The Trade Union Membership 2014 Statistical Bulletin contains figures for trade union density by industry (Chart 1.5; Table 1.4 and Table 1.8). Can you provide figures for union density in further categories within these SIC codes?

Information released

The Department is able to provide figures for union density in further categories of SIC code. The attached tables contain information at the two-digit SIC level.

For the categories contained in Table 1.4 in the Statistical Bulletin (total employees, and employees gender, part-time/full-time status and permanent/temporary status) the figures provided are for 2014.

For total employees and employees by gender categories contained in Table 1.8 in the Statistical Bulletin, the figures provided are for 1995 to 2014.

We will publish 2015 figures in the next version of the Statistical Bulletin to be published in late May 2016.
