Ref. 2015/08372

[REDACTED]

19 October 2015

Dear [REDACTED],

Thank you for your e-mail 29 August 2015 asking for information about aircraft operated by the UK Armed Forces. Your follow up e-mail of 18 September 2015 reduced your request to cover Typhoon and Tornado GR4 aircraft only.

You requested the following information:

"...I would like a list of aircraft type and mark, tail numbers and serial/tail code if possible as well as what squadron they are operating in and where they are operating from or based."

I am treating your correspondence as a request for information under the Freedom of Information Act 2000.

A search for the information has now been completed within the Ministry of Defence, and I can confirm that information in scope of your request is held, which I attach at Annex A and B showing the aircraft type, mark, tail number, tail code, unit and where appropriate home Station. Information provided for Tornado is as at 29 August, whilst that for Typhoon is as at 20 September 2015. You should note that these are snap shots and that the information can alter on a daily basis.

Under Section 16 of the Act (Advice and Assistance) you may find it helpful to note that the list includes aircraft that are in planned maintenance, storage or undergoing modification programmes. Additionally, the Tornado fleet at RAF Marham, including those employed on operations overseas are organised in an aircraft pool from which aircraft can be drawn, rather than permanently allotted to specific squadrons.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you should contact me in the first instance. If informal resolution is not possible and you are still dissatisfied then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely,

A solid black rectangular box used to redact the signature of the sender.
