Dear

Request for Information

Thank you for your email dated 11 March 2015 requesting information on Estate Regeneration Funding applications. For ease of reference your request is below:

“Please provide a list of the organisations and projects, as well as the locations of the proposed regenerations, for which an Expression of Interest for Estate Regeneration funding was submitted online (<https://partners.hca-online.org.uk/>).

Please provide a list of the organisations/projects that were successful in being granted Estate Regeneration funding.”

We have now had an opportunity to investigate your request and are writing to communicate our response. Attached to this letter is a spreadsheet which provides the information requested. The first tab of the spreadsheet lists the Expressions of Interest received for this matter, detailing the bid name, the name of the organisation making the bid and the Local Authority within which the project would be located. The second tab lists the bids which have been shortlisted and are currently undergoing due diligence; however please note that as of yet, no funding has been allocated to any project.

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
