AUTHORIZED AMENDMENT

The AMC for RA4820 asks AMOs to provide in writing a confirmation every 3 years that the content of their certificate and exposition remain unchanged. However the GM does not indicate from what point the 3 years starts to count down, nor to whom the AMO should write to in order to meet this requirement.

Added content to GM:

The 3 year period commences from the date of last formal MAA surveillance audit. The confirmation of continued validity should be sent in writing to MAA Head of Oversight and Approvals for action.
