#### 5 Superannuation fund

The Union's, and other associated areas, employees are members of the National Union of Mineworkers Officials' and Permanent Employees' Superannuation Fund. The Fund provides benefits based on final pensionable salary. The assets of the scheme are held separately from those of the Union, are administered by the Trustees and are managed professionally.

Contributions by the Union to the scheme are determined by a qualified Actuary on the basis of triennial valuations using the projected unit method.

The total contributions to the scheme during the year by all employers were £104,000 (2014: £96,000) of which the Union's contributions were £91,796 (2014: £84,556). Based on the active membership of the fund the Union is expected to contribute £105,000 in 2016.

Active members contribute to the fund at an average rate of 6.0% of pensionable earnings.

A full actuarial valuation was carried out at 31 December 2012 and updated to 31 December 2015 by a qualified independent actuary.

The major assumptions used by the actuaries were:

|                                 | 31.12.15 | 31.12.14 |

| Revaluation in deferment        | 2.00%    | 2.10%    |

Mortality assumptions are based on 95% of table of mortality S1NA with CMI 2015 core model projections and a minimum annual improvement of 1.2% per annum.

#### General Fund Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2015

#### 1 (a) Accounting policies

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Union's financial statements.

#### (b) Basis of preparation

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

#### (c) Area income and expenditure

With the exception of Nottingham, South Derbyshire, Yorkshire and Lancashire the financial statements do not include the funds and the income and expenditure of the Constituent Associations, as they are separately constituted Unions and prepare their own financial statements. Nottingham, South Derbyshire, Yorkshire and Lancashire are no longer Constituent Associations and are a direct part of the National Union. The net assets of these Areas are therefore incorporated in these financial statements.

#### (d) Contributions

In accordance with the Union's rules, Areas deduct an agreed amount before paying the remaining net contributions for the full 52 weeks to the General Fund. In accordance with Rule 31, the General Fund pays to the Political Fund the equivalent of four weeks contributions. The Political Fund in turn repays the contributions of those members who are exempt from the Political Fund.

#### (e) Investment income

Income from investments is included in the Income and Expenditure Account in the year in which it is receivable.

#### (f) Fixed assets

Depreciation is provided on fixed assets as follows:

Office furniture and equipment - 10% per annum on diminishing value.

Computer and other electrical equipment - 25% per annum on straight line basis.

The current headquarters of the NUM are based in Barnsley and are owned by the NUM Yorkshire Area Trust Fund.

#### General Fund Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2015

#### (g) Investment Property

Investment property, previously recognised as Freehold property, is included in the financial statements at the net book value brought forward. This treatment does not comply with the requirements of the Financial Reporting Standard for Smaller Entities (effective January 2015) which requires investment properties to be stated at market value. The NEC considers the valuation of the Investment properties at 31 December 2015 to be worth not less than £1,901,348.

#### (h) Investments

Investments are shown in the financial statements at cost.

#### (i) Deferred taxation

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events have occurred at that date that will result in an obligation to pay more, or a right to pay less or to receive more, tax.

Deferred tax is measured on an undiscounted basis at the tax rates that are expected to apply in the periods in which timing differences reverse, based on tax rates and laws enacted or substantively enacted at the balance sheet date.

#### (j) Pension costs

Defined Benefit Pension Scheme

The cost of funding pensions is charged to the income and expenditure account on a systematic and rational basis designed to spread the cost over the useful service lives of employees.

The Union, together with associated areas, operates a funded defined benefit pension scheme for the benefit of its employees. The assets of the scheme are administered by the Trustees in a fund independent from the Union. Service costs and gains and other pension scheme finance costs and income are charged or credited to the income and expenditure account. Actuarial gains and losses are credited or charged to the statement of total recognised gains and losses in the year in which they arise.

The pension scheme figures included in the financial statements of the Union under the above policy relate to the total scheme as the National Union of Mineworkers is the principal employer and it is considered impractical and onerous to separate other individual area employer amounts. Accordingly the pension scheme asset included in these financial statements incorporates the assets and liabilities of the other area employers.

#### General Fund Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2015

#### (j) Pension costs (cont'd)

Defined Contribution Pension Scheme

The Union also made contributions to Employees' Private Pension Schemes. The annual contributions payable are charged to the income and expenditure account.

#### (k) VAT

Income and expenditure are stated gross of value added tax.

#### 2 **Area Trust Funds**

As a result of the transfers of engagements Yorkshire Area Trust Fund and Lancashire Area Trust Fund own net assets in their own names and these are reflected in separate trust accounts. These funds are available to Yorkshire Area and Lancashire Area members past and present and to the NUM National Office if necessary.

#### Political Fund Accounting Policies

(forming part of the financial statements) for the year ended 31 December 2015

#### 1 Accounting policies

The accounting policies are those set out in Note 1 to the financial statements of the General Fund.

#### "Contracted out" records

Rule 30D allows a member of the National Union to be exempt from contributing to the Political Fund of the Union. Names of those members exempt from contributing to the Political Fund are recorded in the area "contracted out" records.

#### Cash flow statements

Under Financial Reporting Standard 1, the Political Fund of the National Union of Mineworkers is exempt from the requirement to prepare a cash flow statement on the grounds of its size.

Independent Auditors' Report to the members of National Union of Mineworkers

We have audited the financial statements of the General Fund, Political Fund and of the Nottingham Benevolent Fund, which have been prepared in accordance with the requirements of the Financial Reporting Standard for Smaller Entities (effective January 2015) and the accounting policies stated.

This report is made solely to the members of the National Union of Mineworkers. Our audit work has been undertaken so that we might state to the National Union of Mineworkers' members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the National Union of Mineworkers and their members as a body, for our audit work, for this report, or for the opinions we have formed.

#### Respective responsibilities of National Union of Mineworkers and auditors

The National Union of Mineworkers' responsibilities for preparing the National Executive Committee's report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) are set out in the Statement of National Union's Responsibilities.

It is our responsibility to audit the financial statements in accordance with relevant legal and regulatory requirements and International Standards on Auditing (UK and Ireland).

#### Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the National Union's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the officials; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the National Executive Committee's report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

#### **Opinion**

#### In our opinion:

- the financial statements give a true and fair view of the state of the General Fund's, Political Fund's and Nottingham Benevolent Fund's affairs at 31 December 2015 and of their results for the year then ended; and
- the financial statements have been properly prepared in accordance with the Trade Union and Labour Relations (Consolidation) Act 1992; and
- the financial statements have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities.

Year ended 31 December 2015

Independent Auditors' Report to the members of National Union of Mineworkers (continued)

#### Opinion on other matters prescribed

In our opinion the information given in the National Executive Committee's report for the financial year for which the financial statements are prepared is consistent with the financial statements

#### Emphasis of matter – defined benefit pension scheme

In forming our opinion, which is not qualified, we have considered the adequacy of the disclosures within the Union's financial statements, and inclusion in the financial statements of the total defined benefit scheme activities and net pension asset, as the Union is principal employer. The financial statements incorporate assets and liabilities relating to the defined benefit pension scheme for the other area employers which have not been quantified due to the circumstances outlined in accounting policy note 1(j).

#### Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Trade Union and Labour Relations (Consolidation) Act 1992 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit; or
- the National Union was not entitled to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities.
