

# **Freedom of Information request 1329/2012**

**Received 26 March 2012**

**Published**

## **Information request**

It is a legal requirement that the DWP (Department for Work and Pensions) makes publicly available any contract over £10,000. [1]

According to the 'Contract Finder' website, contracts have been made available. However, within these documents are the 'Invitations to Tender' and not the actual contracts.

Can you please provide the contracts which have been referred to on the Contract Finder website, but not provided.

## **DWP response**

Section 21 of the Freedom of Information Act allows us to direct you to information which is already reasonably accessible to you. The information you requested is available on the Contract Finder website.

The following link is to a number of documents, including the terms and conditions for Work Programme providers.
