Dear

Request for Information

Thank you for your email dated 13 April 2015 requesting information on the outsourced ICT contracts the Homes and Communities Agency (HCA) is currently engaged in. For ease of reference your request is below:

Under the Freedom of Information Act I respectfully request that you provide me with a list of suppliers providing outsourced ICT Services to your organisation at the current time. Please present the information back by email (to this address) detailing for each supplier (where more than one is engaged):

- Name of supplier
- Service(s) provided by supplier
- Renewal date for provided service(s) (optional)
- Current spend with supplier for provided service(s) (optional)

In the interests of focussing on suppliers of a material nature it would be acceptable to respond with just those suppliers where annual spend (on any particular service) is in excess of £50,000 per annum.

We have now had an opportunity to investigate your request and are writing to communicate our response. We have identified three contracts which fall within the scope of your request and this information is detailed in the table below.

Company	Service	Contract Value for 2015/16	Contract End Date
STCS	Software Development Services (Contract Resource)	£470,385	January 2016
STCS	Software Development Services (Oracle Services)	£668,063	January 2017
SFW	Software Development Services (TMS Development)	£75,000	Fixed Price Contract

If you have any questions regarding this response or any further queries you can contact us at the following addresses and quote your unique reference number found at the top of this letter:
