Dear JNAPC Members and Observers

I attach a transcript from Hansard of the adjournment debate last Thursday and an article in the Times on Friday.

The following online article also passed across my desk:

<http://thepipeline.info/blog/2015/01/30/victory-1744-broadside-at-mod-human-shield-vaizey/>

If anyone is interested I also have access to further details behind Kevan Jones's claim that Odyssey still appears to owe the Department for Transport \$4.9m on the SS Gairsoppa silver salvage.

Best wishes

Bob
