NOTES TO THE ACCOUNTS

(see note 36)

All notes to the accounts must be entered on or attached to this part of the return.

1. Accounting policies

These financial statements have been prepared in accordance with United Kingdom Accounting Standards under the historical cost convention adopting the following significant accounting policies:

a) Members subscriptions

Included in members subscriptions are all amounts received and receivable from members in respect of subscription notices issued.

b) Depreciation

Tangible fixed assets are stated at cost less accumulated depreciation. Depreciation has been provided by the straight line method at rates designed to write off the historical costs of each asset over its estimated useful life. The rates are as follows:

Furniture and equipment	25% on cost
-------------------------	-------------

c) Turnover

The total turnover of the company for the year has been derived from its principal activity wholly undertaken in the United Kingdom.

d) Leasing

Rentals payable under operating leases are charged against income on a straight line basis over the lease term.

e) Foreign currency translation

Monetary assets and liabilities denominated in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. All differences are taken to profit and loss account.

AUDITOR'S REPORT

(see notes 42 to 47)

made in accordance with section 36 of the Trade Union and Labour Relations (Consolidation) Act 1992.

We have audited the financial statements of the Advertising Producers Association for the year ended 31 December 2014 comprising the income and expenditure account, balance sheet and related notes, in accordance with International Standards on Auditing (UK and Ireland).

This report is made solely to the Association Members, as a body, in accordance with with the Trade Union and Labour Relations (Consolidation) Act 1992. Our audit work has been undertaken for no purpose other than to draw to the attention of the Association Members those matters which we are required to include in an auditors' report addressed to them. To the fullest extent permitted by law, we do not accept or assume responsibility to any party other than the Association's and the Association Members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors and auditors

The Council Members are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Association's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the members; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Council Members' Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Association's affairs as at 31 December 2012 and of its surplus for the year then ended; and
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice applicable to Small Entities;
- have been prepared in accordance with the requirements of the Trade Union and Labour Relations (Consolidation) Act 1992.
