

Freedom of Information request 1532/2012

Received 4 April 2012

Information request

How many websites/domain names does your department own or control on which it does not publish any information about itself? This should include any websites purchased/controlled to prevent others publishing comments critical of the Department. Please list the websites/domain names and indicate, if possible, what year they were purchased and the on-going costs associated with them.

DWP response

Our Department owns or controls the website/domain names listed in the attached spreadsheet. Some of these are for active websites that we use to provide information, others have been registered defensively in line with Cabinet Office policy and others are used to redirect customers to information on other government websites.

We have listed the annual cost of each and the year of registration.

Annex

Domain	Annual cost (Jan 11 - Dec 11)	Date Added
adrangwaithaphensiynau.gov.uk	£82.50	01-May-08
