

Environment Agency permitting decisions

Surrender

We have decided to accept the surrender of the permit for Hill Farm Pig Unit operated by Wayland Farms Limited.

The permit number is EPR/WP3733WP.

We are satisfied that the necessary measures have been taken to avoid any pollution risk and to return the site to a satisfactory state.

We consider in reaching that decision we have taken into account all relevant considerations and legal requirements.

Purpose of this document

This decision document:

- explains how the operator's application has been determined
- provides a record of the decision-making process
- shows how all relevant factors have been taken into account

Structure of this document

- Annex 1 the decision checklist

Annex 1: decision checklist

This document should be read in conjunction with the Duly Making checklist, the application and supporting information and permit/ notice.

Aspect considered	Justification / Detail	Criteria met
		Yes
The site		
Pollution risk	The permit was not implemented so it has not been necessary to mitigate a pollution risk. This has been confirmed by the site's Environment Officer (dated 22/07/16).	✓
Satisfactory state	The permit was not implemented so the site was never changed to a point from which it would need to return. This has been confirmed by the site's Environment Officer (dated 22/07/16). A Site Condition Report evaluation template has been produced (dated 22/07/16) demonstrating the satisfactory state of the land.	✓
