Dear [REDACTED]

Thank you for your email of 14 October 2015 requesting the following information:

1. *"In 2014 how many animals have been used by the MoD for testing where any of the agents used in the tests has been ebola?"*
2. *Please state (i) how many of each type of animal the experiment was conducted on, (ii) whether the animals were anaesthetised in any way prior to exposure, (iii) what was the purpose of the experiment and (iv) the ultimate fate of the animal (did it die)?"*

We are treating your correspondence as a request for information under the Freedom of Information Act 2000 (FOIA).

A search for the information has now been completed within the Ministry of Defence, and I can confirm that all the information in scope of your request is held.

The information you have requested can be found below.

During the calendar year 2014 no studies were undertaken in any animal species that involved exposure to Ebola virus.

If you are not satisfied with this response or you wish to complain about any aspect of the handling of your request, then you may apply for an independent internal review by contacting the Information Rights Compliance team, 1st Floor, MOD Main Building, Whitehall, SW1A 2HB (e-mail CIO-FOI-IR@mod.uk). Please note that any request for an internal review must be made within 40 working days of the date on which the attempt to reach informal resolution has come to an end.

If you remain dissatisfied following an internal review, you may take your complaint to the Information Commissioner under the provisions of Section 50 of the Freedom of Information Act. Please note that the Information Commissioner will not investigate your case until the MOD internal review process has been completed. Further details of the role and powers of the Information Commissioner can be found on the Commissioner's website, <http://www.ico.gov.uk>.

Yours sincerely

Dstl Secretariat
