

Footnotes:

¹ Since April 2012, the Mayor of London has had oversight of strategic housing, regeneration and economic development in London. This means that the HCA no longer publishes housing starts on site and completions for London (current and historical series) except for delivery in London under the Build to Rent, Builders Finance Fund and Get Britain Building Programmes which are administered by the HCA on behalf of the GLA. As housing starts on site and completions are recorded by their location, they may include homes located outside London where the funding was allocated to a local authority district within London. The historical series for London included in the HCA's housing statistics published on 12 June 2012 (revised 24 August 2012) is available from:
<https://www.gov.uk/government/collections/housing-statistics>

² All programmes are funded by the Department for Communities and Local Government with the exception of Care and Support Specialised Housing and Homelessness Change 2015-18 which are funded by the Department of Health.

³ The Affordable Homes Guarantees, Affordable Homes Programme, Affordable Homes Programme 2015-18, Care and Support Specialised Housing, Empty Homes, Empty Homes Round Two, Homelessness Change, Homelessness Change 2015-18, National Affordable Housing Programme, Right to Buy Replacement, Short Form Agreements and Traveller Pitch Funding figures for 2015/16 are sourced from our Investment Management System (IMS) at close of business on 31 March 2016. Starts on site reported for these programmes are correct at the time of first publication but reallocation of funding to another scheme can occur occasionally and the completion recorded against the second scheme. Housing starts for 2012/13 and 2013/14 and housing completions for 2014/15 have been restated in this release. All other figures for these programmes remain unchanged from the release dated 3 December 2015.

⁴ The Build to Rent, Builders Finance Fund, Get Britain Building and Single Land Programme figures for 2015/16 are sourced from our Project Control System (PCS) at close of business on 3 May 2016 together with revised figures for these programmes (where applicable) for 2012/13, 2013/14 and 2014/15. Figures for previous years remain unchanged from the release dated 3 December 2015.

⁵ Total affordable housing is the sum of Affordable Rent, Social Rent, Intermediate Rent and Affordable Home Ownership.

⁶ Market housing is private housing (or bed spaces) for rent or for sale where the rental value or market price is set mainly in the open market.

⁷ With effect from 1 April 2014 the range of products reported for affordable housing starts includes the start on site for new build homes where the procurement route is such that the provider purchases the home at completion - these are referred to as 'Off The Shelf' units. For reporting purposes, the start on site date is taken as the date of completion.

⁸ The Affordable Homes Programme (AHP), a key part of which is the Affordable Rent product, replaced the National Affordable Housing Programme in 2011. The AHP together with Empty Homes, Empty Homes Round Two, Homelessness Change, Short Form Agreements and Traveller Pitch Funding, closed in March 2015. These programmes have been replaced by the Affordable Homes Programme 2015-18 but completions relating to schemes started prior to 1 April 2015 are reported under the predecessor programme name. Any starts reported for these closed programmes post March 2015 relate to 'Off The Shelf' units (see note 7). The majority of starts on site for the AHP were delivered from the second half of 2011/12 to the end of 2013/14. Delivery of starts on site for the 2015-18 programme commenced in the second half of 2014/15.

⁹ The Build to Rent programme was launched in December 2012. The starts on site reported for 2014/15 and 2015/16 exclude 45 and 271 units respectively which count towards the overall target to deliver 10,000 homes across the lifetime of the programme but are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Build to Rent funding.

¹⁰ The market units delivered under the Accelerated Land Disposal, Build to Rent, Builders Finance Fund, Economic Assets, Get Britain Building, Kickstart Housing Delivery, Property and Regeneration and Single Land programmes may include some starts on site and completions which are made available at below market price or rents but do not meet the definition for affordable housing.

¹¹ The Builders Finance Fund was launched in May 2014. Delivery of starts on site commenced in the second half of 2014/15 and the small number in this period and the first half of 2015/16 reflects the competitive clarification and due diligence process for the programme which has to be undertaken before signing contracts and starting on site. The starts on site reported for 2014/15 and 2015/16 exclude 23 and 732 units respectively which are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Builders Finance Fund.

¹² The Get Britain Building programme was announced in November 2011. The reported starts on site for 2012/13, 2013/14 and 2014/15 exclude 1,058, 296 and 65 units respectively which count towards the overall target to unlock delivery of up to 12,000 homes across the lifetime of the programme but are either in receipt of funding from an affordable housing programme and are reported under that programme or are part of the wider project and have been unlocked as a result of the Get Britain Building funding. For the same reason, the reported completions for 2013/14, 2014/15 and 2015/16 exclude 125, 872 and 197 units respectively.

¹³ The National Affordable Housing Programme ended in March 2011 and outputs reported for 2011/12, 2012/13, 2013/14, 2014/15 and 2015/16 reflect commitments entered into prior to the closure date.

¹⁴ Short Form Agreements (SFA) are used by the HCA to contract with providers who wish to deliver affordable rent units without HCA funding.

¹⁵ The Single Land Programme replaced the Accelerated Land Disposal, Economic Assets and Property and Regeneration programmes with effect from 1 April 2015.

¹⁶ The Accelerated Land Disposal programme was established to accelerate starts on site within the programme end date of March 2015. A small number of sites had early delivery of starts, with the majority delivering in the last two years of the programme.

¹⁷ Mortgage Rescue is either Equity Loan or Mortgage to Rent for which starts on site are not reported.

¹⁸ FirstBuy is an equity loan product for which starts on site are not reported. Completions reported for 2013/14 reflect units that were committed to purchase by 31 March 2013 when the scheme ended.

¹⁹ The National Affordable Housing Programme figures include Mortgage Rescue for 2009/10 and 2010/11.

²⁰ In a small number of cases, HCA funding to an affordable housing provider is to support a person or family to be housed in a local authority that is different to the one in which they currently reside. The figures in this table are based on the local authority district in which the house is located which may not be the local authority where the funding is allocated.
