15 December 2016

From 2016-17, the Local Government Financial Settlement provides the majority of funding to Lead Local Flood Authorities to carry out their duties under the Flood and Water Management Act 2010, and for their role as statutory consultee on surface water for major development (i.e. they will no longer receive a separate grant from Defra).

This funding is supplemented by a separate section 31 grant which makes good the Government's commitment to protect the level of funding in real terms throughout this Parliament. This section 31 grant element of the funding totals £3.7m in 2017/18, £4m in 2018/19 and £4.3m in 2019/20, and is broken down to Lead Local Flood Authorities' allocations below:
