

Wildlife and Countryside Act 1981

Definitive Map and Statement of Public Rights of Way for the County of Northumberland

The Northumberland County Council

Definitive Map Modification Order (No 19) 2014

Byways Open to All Traffic Nos 41 & 27 (Parishes of Chollerton and Bavington)

This Order is made by Northumberland County Council under Section 53(2)(b) of the Wildlife and Countryside Act 1981 ("the Act") because it appears to that authority that the Definitive Map and Statement of Public Rights of Way for the County of Northumberland require modification in consequence of the occurrence of events specified in Section 53(3)(c)(i) and (iii), namely, the discovery by the authority of evidence which (when considered with all other relevant evidence available to them) shows that a right of way which is not shown in the map and statement subsists or is reasonably alleged to subsist over land in the area to which the map relates, being a right of way such that the land over which the right subsists is a public path, a restricted byway or, subject to section 54A, a byway open to all traffic; and that there is no public right of way over land shown in the map and statement as a highway of any description, or any other particulars contained in the map and statement require modification.

The authority has consulted every local authority whose area includes the land to which the order relates. The Northumberland County Council hereby order that:

1. For the purposes of this Order the relevant date is 1 July 2014.
2. The Definitive Map and Statement of Public Rights of Way for the County of Northumberland shall be modified as described in the Schedule and shown on the map attached to the Order.
3. This Order shall take effect on the date it is confirmed and may be cited as The Northumberland County Council Definitive Map Modification Order (No 19) 2014.
