

## EU SUMMARY TABLE 2015

Month	Number of feed establishments visited	Number of procedural breaches	Number of samples tested	Number of non-compliant samples	Number of 'official' samples taken using method described in Commission Regulation EC No. 152/2009
January	328	0	811	0	377
February	309	0	747	1	350
March	272	0	668	0	283
April					
May					
June					
July					
August					
Sept					
October					
November					
December					
<b>Total</b>	<b>909</b>	<b>0</b>	<b>2226</b>	<b>1</b>	<b>1010</b>

The above table represents the inspection and sampling figures at 21st April 2015.

Nb:- Monthly inspection and sampling figures may differ from earlier published figures as amendments are made to the database.

The method of sampling used by Animal Health follows the principles of sampling described in Commission Regulation EC No. 152/2009. If all of the principles have been followed in sampling the samples are termed 'official samples'.
