You requested the following information:-

Please could you provide me with information about your ICT expenditure, as broken down in the attached template? I have included this template in order to make it easier for you to understand my requirements and provide answers.

I appreciate that you may publish contracts and transparency data, but I was unable to find the information to the level of detail I require in publish sources.

Within the response, please include:

- * Expenditure from all parts of your organisation (central services and business units);**
- * As well as your own organisation, expenditure for any subsidiary organisations that fall within the scope of your accounts; and**
- * Both revenue (or operating) expenditure and capital expenditure**

We have handled your request under the Freedom of Information Act 2000.

The Wales Office uses IT services and support supplied under Ministry of Justice contracts. We therefore do not hold a breakdown of our IT costs in the format required. The Department paid a fixed annual fee of £128,391.13 in 2014-15 and 2015-16 to the Ministry of Justice for the use of their IT services.
